THE BACKGROUND

Mankar College, established in 1987, celebrated its Silver Jubilee in the year 2012. For all these years it has tried to uphold the rich tradition of education rooted in the locality. The locality was introduced to the modern system of education when Pandit Iswar Chandra Vidyasagar established a normal school here in 1855. But the legacy can be traced farther back. Mankar was also the field of activities of Pandit Raghunath Shiromani, the renowned naiaik of the early 16th century. In keeping with this glorious tradition the College has endeavoured to establish itself as a seat of learning disseminating the fruits of knowledge to a large underdeveloped area on the border of and including the *jungle-mahal*.

The initiative for establishing a college was undertaken by the local people in the late 1960s with a desire to make the world of higher education accessible to the children of the locality, particularly to the girls. After years of struggle the College ultimately saw the light of the day on 26th September 1987 in a five acre plot of land donated by Smt. Renubala Devi, a resident of Mankar. The campus expanded when more land was donated by Sri Bireswar Banerjee and his brothers. The College is also indebted to the large number of people of this locality and surroundings for their generous contributions. Of late Smt. Kanaklata Banerjee and her nephew Soumitra Mukherjee have donated 75 decimal of land including a building to the College. The land has been used to construct a girls' hostel with an accommodation for 33 boarders.

In 1987 the teaching -learning process began with six Arts subjects, sixty-three students and six teachers in a thatched roofed mud-walled hut. Quarter of a century later, the College today proudly offers all three streams – Arts, Commerce and Science with Honours in twelve subjects. Almost seven hundred students take admission in First Year Arts alone. Huge buildings have been constructed in a spacious green campus. The infrastructure is now underlined by the presence of adequate number of spacious classrooms, well-equipped laboratories, computerized library, and competent use of information technology.

In spite of the sea change in the appearance of the College, the performance of the students in the University Examinations has remained exemplary right from the beginning. The success rate over the years has remained uniformly outstanding. By virtue of its students, non-teaching members of the staff and the teachers, Mankar College has been recognized as one of the premier institutions affiliated to the University of Burdwan but for a brief stint of a couple of years when it was from 24th of June 2015 affiliated to Kazi Nazrul University. The ambiance here is calm and quiet, traditional yet modern, disciplined and accommodative -- ideal for the pursuit of knowledge.

In 2009 the Peer Team of National Assessment & Accreditation Council (NAAC) visited the College, assessed it and on its recommendation the Executive Committee of NAAC accredited the College in grade 'B' with CGPA of 2.21 on four point scale. For the second cycle of assessment the NAAC Peer Team visited the College in November 2016. This time the grade awarded is 'B +' with a CGPA of 2.58.

LOCATION OF THE COLLEGE

Mankar is well connected by both railways and roadways. The College is on the Bhatkunda highway, two kilometers from Mankar Railway Station and about a kilometer from the Mankar Bus Stop. It takes less than twenty minutes to reach the college from the railway station on foot. The buses plying to and from Bhedia stop almost at the college gate itself. E-rickshaws and traditional rickshaws are also available in plenty.
