

## REPORT-NSS SPECIAL CAMP 2016-17

NSS Special Camp has been organized by NSS Unit I & II of Mankar College from 01.03.2017 to 07.03.2017. One hundred participants including NSS volunteers and programme officers attended the camp. The seven days programme included different social welfare activities, awareness programme in adopted village (Sahebdanga), campus cleaning, blood donation camp (58 donors) with collaboration of Burdwan Medical College, Thalassemia screening camp(124 participants) with collaboration of Burdwan Medical College, seminar on “Effects of addictions on Human Beings” and programmes on students’ personality development. With active and sincere participation of NSS volunteers and programme officers, cordial support of the Principal, teaching faculties and non teaching staffs of the college and help of the villagers of the adopted village, the programme achieved a grand success.
